LEGAL COUNSEL APPROVAL
MATT MINE ARENA — PUBLIC PAID RELEASE

I, Matthew Young, declare that I am an attorney admitted to practice law in:

Licensing Jurisdiction: WA

Bar Number: 01893547

Bar Status: Active and in good standing

I have reviewed the proposed public paid release of MATT Mine Arena, including its gameplay mechanics, entry-payment process, MATT-token integration, server-authoritative scoring, winner-selection process, prize distribution, refund procedures, anti-cheat controls, wallet requirements, and Official Rules.

Based on that review, I approve MATT Mine Arena for public paid operation, subject to the following conditions:

1. Paid participation is restricted to players who are at least 18 years old.
2. MATT Mine Arena may be offered throughout all 50 United States and the District of Columbia, including their counties and municipalities, except where participation becomes prohibited or restricted by subsequently applicable federal, state, or local law.
3. No operator-imposed minimum or maximum entry amount is required. Any amount must nevertheless remain within the technical limits displayed by the application, smart contract, wallet, blockchain network, and applicable law.
4. Players and wallets subject to applicable sanctions, court orders, fraud restrictions, or other legal prohibitions may not participate.
5. The applicable Official Rules must be displayed or made available before a paid entry is accepted.
6. Each paid entry must be associated with the exact Official Rules version accepted by the player.
7. Material changes to the payment system, prize structure, scoring system, winner-selection method, geographic availability, or age requirement require additional legal review.
8. The operator must maintain reasonable records of purchases, entries, gameplay results, prizes, refunds, disputes, and disqualifications.

COUNSEL DETERMINATION

Public paid operation of MATT Mine Arena is:
